This Tender is concerned with the acquisition of Fire Extinguishers, Kitchen Hood Systems, Fire Hoses & Auxiliary Fire Suppression Systems service with consideration of the following:

- Ongoing service and maintenance support.
- All manuals, documents and initial supplies.
- The right to reproduce any printed materials supplied with the product for the purpose of using the product.
- Training and training manuals.
- Future enhancement availability.

#### **1.2 Client Background**

Western Health was established in 2005 and is responsible for the delivery of Health and Community Services in the Western Region.

### 1.3 Vendor Response

- 1.3.1 Vendor's tender must contain an Executive Summary which shall contain:
- a. A brief description of the product being quoted.
  - b. The name, title and address of the Vendor's representative responsible for the preparation of the Tender.
- 1.3.2 All prices quoted for goods and services must be specified in Canadian dollars, FOB Western Memorial Regional Hospital. All Tenders will be held to be valid for ninety (90) days following the Tender closing date.
- 1.3.3 Tenders must be received in full on or before the exact closing time and date indicated. **TENDERS RECEIVED AFTER THAT TIME WILL NOT BE CONSIDERED.**
- 1.3.4 All costs relating to the work and materials supplied by the Vendor in responding to this Invitation to Tender must be borne by the Vendor.

### 1.4 Release of Information

#### 1.4.1 While Tender is Open:

The names of individuals or companies who have picked up the tender documents will be released for construction tenders only.

Individual Authorities may determine that this information will not be released in situations where it is not in the best interest of the Authority to do so.

Upon request, this information may be released to designate(s) of the Newfoundland and Labrador Construction Association (NLCA) only. The designate(s) will be agreed upon by the Authorities and the NLCA.

This information will be released upon request from the NLCA designate(s) at a maximum once per week.

No information will be released in the seven calendar days preceding tender opening.

#### 1.4.2 **At Tender Opening:**

Only the names of the bidders will be read out.

#### 1.4.3 **After Tender Opening:**

1. No further information will be released until after the contract is awarded.
2. After award, only the name and bid price of the successful bidder will be made available.
3. Information will be made available for a 90 day period only.
4. Successful Awards will be posted on Web Site.

### 1.5 **Communication During Tendering**

- 1.5.1 All communications with Western Health with respect to this invitation to Tender must be directed in writing to the attention of:

Mr. Paul Wight  
Director of Materiel's Management  
Western Health  
1 Brookfield Avenue  
Corner Brook, Newfoundland  
A2H 6J7  
Tel: (709) 637-5511  
Fax: (709) 637-5030  
Email: paulwight@westernhealth.nl.ca

- 1.5.2 Western Health may, during the assessment period, request meetings with the Vendors to clarify points in the Tender. No changes by the Vendor will be permitted after the Tender closing date.

- 1.5.3 Faxed Tender responses will be accepted with the condition that the original Tender documents are received at Western Health's Materiel's Management Department no later than **Five** working days following the Tender closing date.

- 1.5.4 All bids must be sent in a sealed envelope clearly marked with Tender Name and Number to: Materiel's Management Department, Western Health, Western Memorial Regional Hospital, Lower Level, P.O. Box 2005, Corner Brook, NL A2H 6J7.

- 1.5.5 Bids submitted by electronic transmission (e-mail) will not be accepted.

1.5.6 Companies submitting fax Tenders are doing so at their own risk and the fax Tender must be at the public opening as specified in the Tender information. This Authority will not be responsible for in-house courier services if companies submit quotations by fax machine. The time stated on the fax Tender will become null and void since it is the responsibility of the company placing the Tender to have their Tender at the public opening, therefore, this Authority will not be responsible for any damages or liabilities.

1.5.7 In order to contribute to waste reduction and promote environmental protection, the Western Health will endeavour to acquire goods and services that support these principles, therefore, product(s) quoted should include:

- maximum level of post-consumer waste and/or recyclable content
- minimal packaging
- minimal environmental hazards
- maximum energy efficiency
- potential for recycling
- disposal costs

Without:

- reducing the quality of the product required or affecting the intended use of the product
- significantly impacting the acquisition cost

## 1.6 **Tender Acceptance**

1.6.1 Any acquisitions resultant from this invitation to Tender shall be subject to the Public Tendering Act.

1.6.2 The Tenders shall be opened in the Private Dining Room at The Western Memorial Regional Hospital on the scheduled date and time.

1.6.3 Any Tender may be accepted in whole or in part. The lowest Tender may not necessarily be accepted and Western Health reserves the right to cancel the Tender call. Western Health shall not be held responsible or liable for the payment of any costs that are incurred by the bidder in preparing a Tender in response to this invitation to Tender.

## 1.7 **Warranty**

The Vendor shall warrant that the product supplied to Western Health shall equal the published specifications.

The Vendor shall provide no less than a 1-year warranty on the system. The Vendor agrees to provide free of charge all parts and labour necessary to repair the system during the first year of operation.

## 2.0 **Scope of Work**

### **Qualifications**

1. The Vendor awarded this contract must be “Qualified” according to Office of the Fire Commission. Standards Note: “Qualified” means one of the following:
  1. A manufacture of the specific buildings Fire Equipment/Systems.
  2. A Manufacture’s Agent of the specific buildings Fire Equipment/Systems.
2. The “Qualified” Vendor shall furnish all necessary labour, material, tools and equipment to carry out full maintenance service in accordance with the work schedule and the manufacturer’s manuals.

## 2.2 **Examination of Premises**

1. All Vendors tendering should examine the sites of the proposed work prior to submitting their tender and become thoroughly acquainted with same and obtain any and all information that may be necessary to properly execute contract.
2. Make arrangements with the facilities’ contact person (see Attached) prior to site visits.

## 2.3 **Work Included**

8. Annual physical inspection of hoses must be completed.
9. Flow testing of stand pipe systems is required every five (5) years from last date of test.
10. This contract is for a four (4) year term commencing upon the awarding of this contract. The Vendor shall submit pricing based on inspections per Site for the 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> year. Cost shall be supplied for Hydrostats, for refills and cost for visual inspections. Provisions for the cancellation and renewal of the contract will be agreed upon with the successful Vendor.
11. Supply Hourly rate for Emergency and service calls when requested.
12. All Sites to have one (1) inspection per year.
13. The Vendor shall provide support extinguishers in the event that a number of extinguishers have to be removed for servicing.

14. The Vendor shall provide a reasonable time interval for the return of the extinguishers to the Site after servicing.
15. The Vendor shall provide transportation to the nearest major Site in the Region for any extinguisher that requires servicing. Western Health will use its transportation system to have Extinguishers shipped between remote and major sites.
16. The Vendor shall supply an inspection schedule to all sites upon the awarding of the tender. One (1) week notice shall be given in the event the Vendor cannot meet the schedule.
17. Through the region there are a number of Clinics and housing units that require servicing of extinguishers. Western Health will ask the successful Vendor to supply a price to service these locations.
18. The Kitchen Hood Systems are a part of this tender; the Vendor is reminded that some of these systems are listed in the reference sheets on fire extinguishers for each site. The Vendor shall review the list and refer to the list of Sites to ensure that all systems are serviced.

#### 2.4 Equipment

1. Attached are existing records of Fire Extinguisher & Kitchen Hood Systems. These lists are attached for reference only. **This Tender is to cover all Extinguishers and Kitchen Hood Systems listed under the Sites.**

#### 2.5 Emergency and Service Calls

1. Provide twenty-four (24) hour a day, seven (7) days a week answering service for emergency and service calls. The Vendor shall provide their Service Telephone Number.

#### 2.6 Replacement Parts

1. The Contractor is required to give cost estimates on any replacement parts, extinguishers or Kitchen Hood Systems that are deemed to be non-repairable and Western Health reserves the right to seek pricing from other suppliers.
2. All replacement parts will be new; no used materials are acceptable.
3. Where the Hospital has an equipment and inventory system the Vendors service person shall comply with the procedure required to update service and inventory records if they use materials from the Hospital inventory.

## **2.7 Reports**

1. Reports shall require signature from the site (contact person as listed) with copies sent to the Regional Director, Physical Infrastructure Support and the local Authority having jurisdiction. Attached is a copy of extinguisher record sheet.

## **3.0 Presentation / Training / Service**

### **3.1 Service**

- 3.1.1 The Vendor shall advise in writing any concern regarding any problems with the supply of repair parts for any of the listed equipment or systems prior to submitting bid.
- 3.1.2 The Vendor shall provide with their submission of this tender an hourly rate charged for extra work for alterations or modifications to the system/s.
- 3.1.3 The Vendor shall agree to train Facilities Staff in the understanding of the operating and maintenance of the system/s. This training is basic in nature and will only be required as a review on service visits. The Vendor shall be capable of providing advanced training if required by the owner. This advanced training cost will be outside the terms of this contract.
- 3.1.4 The Vendor shall provide Service and Parts manuals required to service the Equipment.

## **4.0 Product History and Vendor Reputation**

- 4.1 The Vendor shall provide a list of three (3) organizations where a similar Unit has been installed. Include a contact person for each organization.

## **5.0 Financial Considerations**

- 5.1 All applicable taxes shall be indicated in the Tender.
- 5.2 The cost for installation, initial set-up and programming shall be included in the Tender price.
- 5.3 All costs for training shall be included in the Tender. This includes any travel, meals and accommodation.

**5.4 Terms of Payment**

The Authority agrees to pay the full invoiced amount within 30 days following acceptance of the installed system by Western Health. Acceptance testing will be completed within 30 days following the complete installation of the system.
