

Television Rental Information for in hospital patients at Western Memorial Regional Hospital (WMRH) in Corner Brook and Sir Thomas Roddick Hospital (STRH) in Stephenville

There is a television rental service for patients staying in hospital at WMRH and STRH. The service is provided by Hospitality Network and offers television rentals at the hospital bedside. The televisions are flat screen and require headphones for sound. Headphones can be brought from home or purchased in hospital.

Television rental is \$9 per day with discounts available for hospital stays greater than 14 days.

Television rental agreements are payable by major credit card and are between the patient and the service provider, Hospitality Network. Hospitality Network has a toll free call centre for hook up and payment.
