

Signage for Health-Care Facilities

The Journey of Collaboration is seeking Mi'kmaw Artists to create new original welcome signs in English, Mi'kmaw and French for the entrances at:

<ul style="list-style-type: none">• Bay St. George Long Term Care• Bonne Bay Health Centre• Calder Health Centre• Corner Brook Long Term Care• Dr. Charles LeGrow Health Centre	<ul style="list-style-type: none">• Rufus Guinchard Health Centre• Sir Thomas Roddick Hospital• Western Long Term Care• Western Memorial Regional Hospital
---	---

Project requirements:

- The signage will be approximately 2 feet by 3 feet.
- Natural materials are welcome but must be wipeable. If the material is not wipeable, please place it in a wipeable casing.
- Words must be horizontal.
- Color contrast – please refrain from using the following combinations:
 - white/grey, red/black & blue/green.
- Letters should be at least 3 inches in height.

*Site specific requirements may be applied.

Artist requirements:

Please provide the below details to wendy.brake@nlhealthservices.nl.ca by **March 31, 2025**

Your artist resume

- Please outline your identity as a Mi'kmaw person and connection to the community.

Photos of past work.

Description of your unique signage creation

- design must be specific for this project
- include description of words, art, materials, etc.

A detailed budget.

- Product(s) must be delivered/transported to one of the hospitals/health facilities (multiple can be delivered to one site)
- If creating a digital image, please specify if the quote is to provide digital files or the final printed product(s)

A timeline for this work.
